

## **The Original APT Advanced Trailer 45' Deluxe Model**

*(Additional Features compared to 45' Base Model)*

- Choice of front or rear transition dryer frame
- Swing doors removed and custom fabricated steel rear dump gate installed
- Ladder and 10" x 4' sampling platform installed on rear gate
- Floor restore kit (fills delaminations in floor to prevent air loss, vital step in prevention of floor rotting or buckling due to excess exposure to the elements)
